

Nonny™

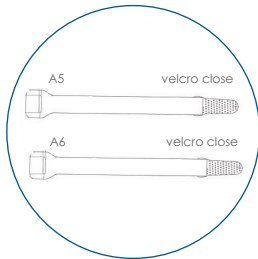

Pediatric Full Face Mask

NEW NONNY™ Full Face Pediatric CPAP Mask

The Next Generation in Pediatric CPAP Therapy

NEW Optional Extension Straps

(Included with all mask sizes)

A. 3D Mask Cushion

- Excellent seal without tight headgear
- Eliminates face pressure sores and discomfort

B. Frame

- Simple design to attach and detach cushion from frame

C. Forehead Support

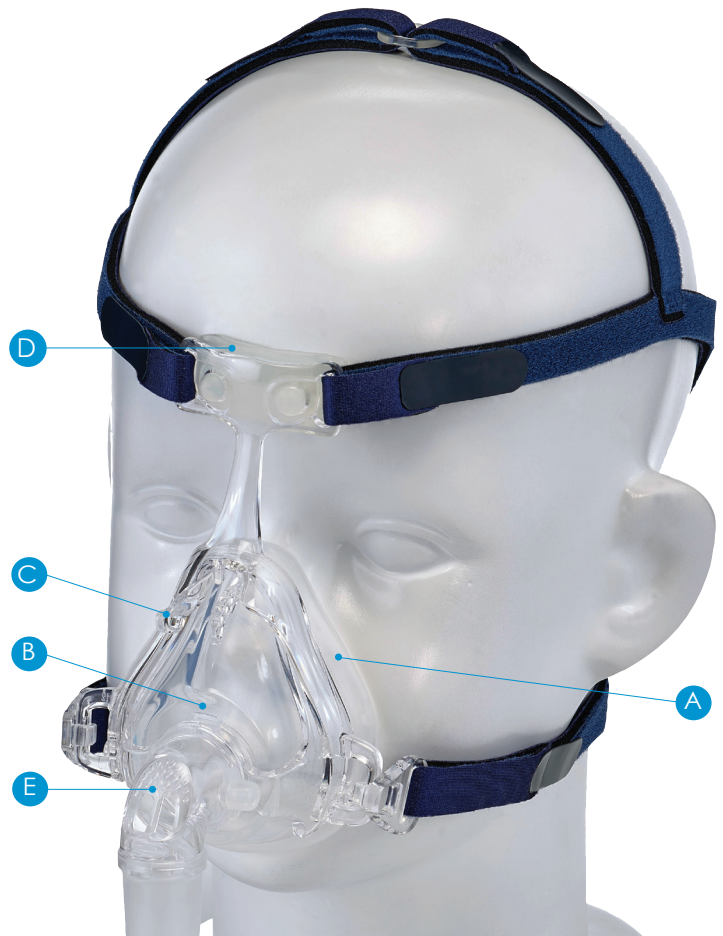

- Innovative adjustable support
- Provides stability with one easy adjustment

D. Forehead Pad

- One-piece pad evenly conforms to the forehead contour
- Pad securely stays in place

E. Air Vent

- Vent minimizes noise
- Enables efficient CO2 washout
- Vented air spreads as a cloud without disturbing patient or companion
